Dear Ransomed Life Supporter,

We are excited to announce the appointment of Sarassa Inglis as the Interim Executive Director of Ransomed Life. Sarassa has been with the organization since 2015 and has served in many roles, most recently as the Director of Operations.

Through her leadership as the Director of Operations, Sarassa has energized and transformed Ransomed Life. She is responsible for the implementation of new policies and procedures, automating donor tracking, as well as fundraising. Sarassa has also worked closely with staff to build our compliance program and plays a vital role in managing and expanding the much-needed services provided to our clients and families.

The Board of Directors thanks Valinda McAlister for her years of service and dedication to the mission of Ransomed Life. Valinda led the agency through the COVID-19 pandemic and represented us well in the community. We wish her much success.

If you have any questions, please feel free to reach out to Sarassa or to me and Lori Fanning.

On behalf of the staff and board of Ransomed Life, we wish you all a blessed holiday season and new year.

Sincerely,

Nada L. Ismail
